New York sister ship, the Texas. Mr. Post declined to make any statement about the matter, but it is believed here that hes strong hopes of secling both of the new Dreadnoughts built at the local plant.

New York sister ship, the Texas. Mr. Fost declined to make any statement about the matter, but it is believed here that hes strong hopes of secting both of the new Dreadnoughts built at the local plant. When Secretary Meyer announced that an appropriation of a million and a half or two million already appropriate would be needed for the contraction of the New York at the Brooklyn navy yard, the officials of the Newport News Company promptly ingress to undertake the construction of both of the battleships at the price queed for one.

When bids on the contract for the Texas were opened the Newport News company was the only bidder, submitting estimates ranging from \$5,760,000 to \$5.753,000, or nearly \$2,000,000 less. Set than the estimated cost of constructing the estimated cost of constructing the siter ship at the navy yard. Secretary Meyer has submitted to lawe passed a bill repealing the requirement that one of the ships be built at the Brooklyn Navy Yard, and authorizing the department to away and be also and a control of the ships be put the siter ship at the navy yard. Secretary Meyer has submitted to lawe passed a bill repealing the requirement that one of the ships of fanatics from Maine, who are said to be looking for the Garden of Edon.

Mrs. Eddy's Estate, Including Copyrights, Will Amount to \$1,500,000.

er. ie statement regarding the will issued by Alfred Farlow, as fol-

lows;
"I have been informed by one of the trustees that Mrs. Eddy's will will not be made known for several days. In answer, however, to my urgent inquiries I have been informed that Mrs. Eddy's fortune, including her copyrights, will probably amount to \$1.500,000.

Section of the control of the contro

In speaking of the future of the Christian Science Church, Mr. Farlow said:

"No anxiety for the future of Christian Science or of the Mother Church in Boston is feit by the directors.

"While comparatively little has been made public regarding the contents of Mrs. Eddy's will, it will not be found difficuit to determine what Christian Science stands for; what I powers and authority the by-laws are intended to give, and what the future course and management of the church should be. The directors will consider the whole situation calmy and thoughtfully, in the light of the provisions of the will, when the latter has been made public."
